THE ORAL PROCEEDINGS
OF THE DEPOSITION OF G. BRYANT BUCHNER
JULY 11, 2024

REPORTER: Paul Morse
Certified Court Reporter
and Notary Public

1 I've already told you that his report is
2 erroneous as to where the impact was. His
3 drawings are wrong. We do have one very small
4 fortunate piece of luck, and that is that the
5 tape that someone put on the tow hook to hold
6 the trigger or the light trigger on, that tape
7 did leave a white mark on the rear of the
8 Escape so we can actually use it. Obviously
9 Grimes doesn't know it, and Crosby doesn't know
10 it, but if you look at the photos, you can see
11 it. And then if we go to Grimes's own crush
12 match, we can measure 16 inches, just like I've
13 been telling you all along. There's -- there's
14 45 percent more offset, 16 inches logo to logo
15 that's in his work in his file. But he didn't
16 testify about it in his deposition and, in
17 fact, claimed that he hadn't done it.

18 Q. What is erroneous about Crosby's
19 report? What specifically did he put in there
20 that you say is an error?

21 A. Well, if you look at this image
22 right here -- well, if you back up the video
23 one frame, you'll see that the truck isn't
